## BEHAVIORAL SCIENCE PRESS

POST OFFICE BOX 161 / BROOKLYN, NEW YORK 11218

Will you accept  
two fully illustrated sex manuals  
valued at \$25 as my gift?

Dear Sir:

If you look upon sex as an important facet of human behavior worthy of thought, discussion, study, and knowledge, join us in stepping across the threshold into a new era of freedom and enlightenment in sexual education.

You are cordially invited to participate with over 600,000 other intelligent, modern community leaders in a truly unique and unprecedented literary adventure...an adventure that begins with your membership in the Behavioral Science Press Library Club.

If you will send your membership application immediately - right now, this very day - I will send you free, as my gift, a fantastic 346 page photographically illustrated two volume set which is entitled "Sex In Marriage". This two volume set is the first completely illustrated marriage manual ever produced in this country with truly explicit text and photographs, and will undoubtedly be a valuable 'classic' in years to come.

Every page of this important new illustrated study is alive with valuable facts and information that will increase your knowledge and understanding of the sexual act. Virtually everything anyone could ever want to know about the sexual organs...methods of arousal.. the movements and positions of the sex act...and hundreds of factors that contribute to a completely fulfilling and blissful sexual relationship are fully illuminated by detailed text and sparkling full color and black and white photography.

For the first time in any publication dedicated to the joys of marital bliss, you can actually see every aspect of the sexual act. You will see over two hundred full color and black and white photographs of an attractive young husband and wife demonstrating every step of the art of love...from undressing, the beginning of foreplay, insertion of the penis into the vagina, through every possible sexual position, to the climax and resolution of the sex act. Undoubtedly these are the most intimate, most revealing photographs of the act of love ever made available

(continued)

to husbands and wives. You will also see variations of the sex act that heighten pleasure, including complete oral-genital techniques for man and woman, soixante-neuf (69) positions...all forms of bodily stimulation and caressing...breast and nipple kissing, suction, manipulating...mutual genital fondling...and much, much, more.

Written in everyday, easy to understand language, the contents of the fifteen photo-filled chapters include:

Part I -- THE ANATOMY OF SEX ... The Female; The Male.

Part II -- PRELIMINARIES TO SEXUAL INTERCOURSE ... The Kiss, The Love Bite, Bodily Stimulation and Caresses, Oral-Genital Love Play...Female Dominant, Male Dominant.

Part III -- PRELUDE TO INTERCOURSE ... The Psychology and Physiology of Coitus.

Part IV -- POSITIONS IN SEXUAL INTERCOURSE... The Husband as the Dominant Partner; face-to-face positions, side positions, posterior entry positions, standing positions.

Part V -- POSITIONS IN SEXUAL INTERCOURSE ... The Wife as the Dominant Partner; reverse face-to-face positions, woman astride positions, posterior entry positions

Part VI -- RESOLUTION ... The Postcoital State.

What experts say about these two volumes:

"We...conduct two seminars a year for medical doctors, psychologists, and marriage counselors...we show books and publications which we have found helpful in dealing with sexual information. Yours will be a welcome addition to our list."

The Center for Marital and Sexual Studies  
Long Beach, California

"...I recommend Sex In Marriage both to couples whose unions seem already blissful and to those who are enduring existences fraught with pain, frustration, bitterness, and recriminations. There is something here for everyone who is now married or who plans to be married in the foreseeable future..."

Jerold L. Franks, M.A.  
Marriage Counselor

"I found that the book was well written and the photographic material in good taste. I will be loaning this book to individuals who are having sexual difficulties within their marriage or to other people who are merely interested in this behavior..."

Charles J. Hirsch, M.D.  
Diplomate in Psychiatry  
The American Board of Psychiatry & Neurology

"....We feel at last someone has had the guts to talk the language so badly needed by everyone in the field of striving toward workable marriages....Congratulations! Good job...."

Jerome Robins, Ph.D.  
Director, Marriage Council Institute

A Partial list of over 200 photographs you will see.....

- \* Oral Stimulation of the female breast
  - \* Husband and wife manually stimulating each other's genitals
  - \* Finger insertion into/and caress of the vagina
  - \* Glans ridge penis stimulated by wife's tongue
  - \* Oral suction of penis by wife
  - \* Oral stimulation of the scrotum by wife
  - \* Total oral engulfment of penis by wife
  - \* Husband guiding wife's head during fellatio
  - \* Simultaneous stimulation of wife's breast and vulva by husband
  - \* Husband stimulating vulva digitally and orally at the same time
  - \* Use of hands on breasts combined with cunnilingus
  - \* Mutual oral-genital contact
  - \* Tongue stimulation of clitoris and anal area
  - \* Wife's action in oral-genital foreplay
  - \* Close-up of penetration, wife's legs up
  - \* Knees-chest position illustrating deep penetration
  - \* Buttock muscles tense with penile thrusts
  - \* Wife aiding entry by lifting her buttocks
  - \* Proper insertion for rear entry
  - \* Entire penis engulfed by vagina
- ....dozens and dozens more! Over 200 full color and black and white photographs revealing every aspect of the sexual act.

Do you have a legal right to own books that are this sexually explicit? Absolutely! In a landmark decision the Supreme Court of the United States has recently ruled that every adult has the legal right to own and view, in the privacy of their own home, sexually oriented materials, even hard-core pornography, if they so desire.

As an important member of your community, we hope that you share our opinion that photographs of sexual acts and "perversions" are without value or merit when standing alone. Although explicit photographs of the sexual act do appear in "sex In Marriage" and other selections available exclusively through the Behavioral Science Press Library Club, they are presented only as an integral and necessary part of openminded studies intended to broaden man's understanding of his social, sexual, moral, and ethical values and behavior, and in this context, are of immense educational value.

If you have a healthy, intelligent interest in sexual education and are interested in obtaining the clearest possible understanding of sex...if you are prepared for a completely candid and detailed view of the subject, you owe it to yourself to become fully acquainted with the services of Behavioral Science Press.

Immediately upon joining the Behavioral Science Press Library Club, you will receive, in addition to your free two volume set of "Sex In Marriage", a COMPLETELY illustrated brochure featuring the club's current educational selections including: "Oral Sex and the Law"...a photographically illustrated

(continued)

two volume set containing all there is to know about the moral, legal, and psychological aspects of oral sex; "Sex Pornography & the Law", Illustrated with over two hundred full color and black and white photographs from Danish pornographic magazines, private collections and historical sources. This 416 page study is probably the definitive work on the subject, and in the words of Dr. Frank L. Annis "...is a necessary study...it should be on the bookshelves of libraries, universities, attorneys, doctors, and members of the law enforcement agencies as well." These are only a few of the many important new books that are available to you as an exclusive member of the Behavioral Science Press Library Service.

Lifetime membership to the Behavioral Science Press Library Club is yours for a nominal fee of only \$10 and...your satisfaction is completely guaranteed! We will rush your free complimentary two volume set of "Sex In Marriage" to you immediately upon receipt of your membership fee and application. When you receive these books, you examine them at your leisure. If you are not delighted...if you feel that these books are not of immense educational value, or if you are dissatisfied for any reason, simply return the books within ten days and your membership to the Behavioral Science Press Library Club will be cancelled and your subscription fee will be promptly and fully refunded....no questions asked!

So act now! Take advantage of this exclusive no-risk offer. Send you membership application and payment today..... and in addition to receiving monthly offerings of important new books that will be offered to you at savings up to 50% off list price...you will receive the remarkable two volume set of "Sex In Marriage" absolutely free of charge!

Remember, there is no obligation on your part to purchase a minimum number of books or to purchase books at any time! Should you ever decide to cancel your membership in the club, simply notify us in writing, and your name will be promptly deleted from our membership roll...we'll still be friends.

But please hurry. This is a limited offer and once our present supply of "Sex In Marriage" is exhausted, this offer will automatically be withdrawn.

Yours truly,

*Robert B. Warren*

MARRIAGE

Mutual oral-genital activity on the side.

...in the best position for mutual oral-genital activity. ...depends to a great degree on the physical build of husband and wife. For instance, if the husband is abnormally heavy, or if he is only six feet tall while his wife is five feet three inches, the superior position would be uncomfortable, or hazardous, for the wife. The same, of course, if the wife is on the bulky and the husband on the frail side, the man could find inserting a stern side position, where no undue strain is placed on her of the married partners, seems best for most positions. The legs are the only "weighty" objects which both have to support, and that is negligible when compared to the weight of the entire body.

Gentlemen:

I have enclosed \$10 for a lifetime membership to the Behavioral Science Library Club.

Please rush my free two volume set of "Sex in Marriage" by return mail and enroll me as a club member.

I hereby certify that I am an adult, over 21 years of age, and that I am requesting these books and future merchandise, catalogs, and brochures strictly for my own use. I further certify that I will not allow either these books or the books and brochures which I shall receive in the future from Behavioral Science Press to be viewed by, or fall into the hands of minors or persons who have no desire nor interest in seeing sexually explicit materials. I request that you send me all announcements and details of books available through Behavioral Science Press until I notify you to the contrary in writing.
